

May 2015

Greetings,

Greetings in the name of our Lord and Savior Jesus Christ. It is my constant prayer that you are well and still pressing on. On this end all is well for Jesus is on the throne and nothing can separate us from His love. Besides that we are seated there with Him far above all other things that tempt us or harass us, blessed be His name forever. My name is Pastor Isaac, the chairperson pastor's equip program of Tito Musyoki literacy foundation an organization directed by Ruth Okello. Am writing this in appreciation on behalf of the pastors for the kindness and support that you have shown us and also to update you on the progress of the program.

We have been very much blessed since Ruth launched the pastors equip program. The pastors have enjoyed the books in the library which actually is one of the most equipped libraries in our county. This has seen many of us testify the improvement on how we address issues in our ministries and more how we handle the word of God when preaching or teaching. We have also been blessed by the computer training. Many of us had no computer training before but now we can at least get the basics in this program and be able to do few things that concern our area of ministry. Pastors here struggle with poverty and so is most of their members, for this reason, we have been able to start a micro finance program that help pastors to borrow some money when emergence cases occur or may be to start a small business that can help in uplifting them economically. Initially the program did not go as we expected but we have come up with a strategy that we believe will help to run the micro-finance program smoothly.

We also have workshops that are widely supported by Trinity Church where we gather pastors and engage them in discussing and addressing areas that are so critical in ministry, for example, previously we had a team led by pastor Marvin and Ann Cody who came and taught hermeneutics, from this workshop we can confidently say that we are able to rightly divide the word of truth, we have also had workshops on mentorship, Christian leadership etc. These workshops to many have been like an eye opener in many ways considering that many of the pastors we have are not trained. It is our prayer that God will keep sustaining these programs for His own Glory.

Let me also take this opportunity to thank all our well-wishers and sponsors especially Trinity Church for their contribution towards the success of this program. The tent and the chairs you bought for the program is helping a great deal, not forgetting the chronological study bibles we received during pastor Marvin's visit here. God is so faithful and we thank all who have accepted to be the channel that the Lord will use to be a blessing to us.

As I sign off, I would like to dedicate this verse to you, Hebrews 6:10 "For God is not unjust to forget your work and labor of love which you have shown toward His name, in that you have ministered to the saints, and do minister".

God bless and give our greetings and love to all.

Shalom,

Pastor Isaac.
